CONFIDENTIAL COMMUNICATION

I'll need to check with ORC. I think the attached document can be shared, but I don't think we can identify the context of why the document was prepared (I believe that the discussion topics of ADR meetings are considered confidential). I'll respond with ORC's position later today or tomorrow morning.

CONFIDENTIAL COMMUNICATION

Greg- thanks for this information. I think it will be helpful in preparing for any conversations with Dow and MDEQ. Is there a restriction on sharing this with the Superfund people involved?
