

## Miller, Canfield, Paddock and Stone, PLC

### Response to EPA Request for Information Issued August 31, 2007

#### Exhibit B – Index of Documents Previously Produced To EPA

The documents appearing in this index are not being produced to EPA in response to its Request for Information issued on August 31, 2007 because the documents are believed to have been produced previously, either by Miller Canfield or by the party that created the document.

In addition to the documents listed below, Miller Canfield is not producing for a second time documents sent to EPA in care of Associate Regional Counsel Jeffrey A. Cahn between September 7, 2007 and September 12, 2007. Those documents were indexed when they were produced.
